

iVISION

WIRELESS
TWO-WAY INTERCOM
SYSTEM WITH VIDEO

Protection for peace of mind.

Security should be more than just protection; it should be peace of mind as well. The new iVision achieves both by giving you the ability to not know somebody is outside your home, but to view and talk to them from the safety and comfort of any location in the house.

Introducing The New iVision.

The WIRELESS two way intercom system with video, from the world leader in security sensors.

**RF range
Up to 100 m
